

Phot Touch up 1
TGJ20
Mr. Babony
Westlane SS

Follow Mr. Babony's lesson on using the stamp tool and submit for marks.

1. Import the photo below, touch up any scratches. Use the zoom tool! /10
2. Fix the outline of the photo by implementing a 1 inch white border. /10
3. Get rid of the words and letters on the photo. /10
4. Add colour using the brush overlay tool. Change the opacity to keep colours subtle. /10
